

Welcome to the 2020-2021 School Year

Dear ISPA Parents:

Welcome to this "very different" school year!

Whether this is your child's last year or the very first, we are so happy to have you as part of the ISPA family.

While it has undoubtedly been a very different beginning to the school year than we are used to, we wanted to reach out to let you know that our PTSA is still had at work to make sure it will be a memorable year for all our children.

The ISPA PTSA remains committed to its core mission, which is to support financially the different student programs in the school, including emergency expenditures such as the plexiglass that had to be installed on the cafeteria tables to allow more seating, keeping the required, social distancing. This mission becomes even more urgent during these times, as schools experience their own budget pressures.

I urge you to please take a few minutes to join or renew your PTSA annual membership. It will not take much of your time and it will make a huge difference to our school and our kids.

We, at the PTSA, are all volunteer moms and we are here for you! If you have any questions regarding the PTSA, please do not hesitate to reach out to any of us.

Be well and stay safe!

Luisa Bantte

ISPA PTSA President
and all of us at the PTSA Board
